++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and mild overnight and staying largely cloudy on Tuesday.

This Evening and Tonight:
Gloucestershire and Wiltshire will turn locally chilly this evening under any clearer spells, with the odd fog patch forming. Otherwise, a cloudy and mild night with mist and fog developing over the moors and some light drizzly rain in places. Minimum temperature 5 deg C (41 deg F).

Tuesday:
A cloudy start to the day, with some drizzle in places. Slowly improving with skies brightening and a few glimmers of weak autumnal sunshine in places. Mild with light winds. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
Breezier and less mild on Wednesday, but largely dry and bright with sunny spells. Cloudier on Thursday and Friday with occasional bright or sunny spells and becoming very mild again.
